MEMORANDUM FOR: Chief, Regulations Control Staff

SUBJECT : Proposed Regulation No. [REDACTED], "Termination and Liquidation of Projects"

25X1A

1. Attached is a rewrite of proposed Regulation No. [REDACTED] which I feel sets the policies and procedures desired into a format which conforms to the Agency standard a little more than the original draft.

2. This was done rather quickly and it could stand some editing, and there are probably some procedures which are not valid because of my lack of detailed knowledge on how projects are terminated within the Clandestine Services. I hope, however, that this will serve as a basis for discussion and lead to the development of a workable system.
